

CITRUS STEM CELL CREAM

This state-of-the-art formula harnesses the power of stem cells produced from the orange plant to rejuvenate and hydrate the skin. These citrus-derived plant stem cells offer numerous anti-aging benefits, including antioxidant protection, working to improve the appearance of fine lines and wrinkles.

YOUNGER
LOOKING SKIN

SY71

why it's different

Stem Cell Support

Orange stem cells help to support the skin's collagen and elastin network. This gives skin a tighter and smoother feel. It also helps protect your skin from environmental and oxidative stress, which helps it maintain a youthful and radiant appearance.

Unrivaled Efficacy

This formula utilizes each ingredient in its most effective form, selected specifically for its ability to deliver real results.

key benefits

- Supports collagen for firmer-looking skin
- Reduces the appearance of wrinkles
- Rejuvenates the skin
- Helps the skin regain youthful elastic properties
- Helps smooth and soften the skin

skin concerns

- Signs of aging
- Dullness
- Fine lines & wrinkles

Suited For All Skin Types

how it works

Plants have stem cells that help control their repair and growth. Cosmetic Solutions' Citrus Stem Cell Cream uses the stem cells extracted from the orange. These cells contain various sugars, amino acids, peptides and proteins that accumulate in the plant's cellular cytoplasm. In nature, they help protect the cell from free radicals, saline and temperature changes, and support the osmotic cell balance in response to environmental and internal stresses.

key ingredients

Citrus Aurantium Dulcis Callus Culture Extract

When applied topically to the skin, stem cells derived from oranges help to protect against the effects of oxidative stress. With a unique peptide and protein makeup, this ingredient also helps to support skin elasticity and density. It helps the skin to appear firmer and smoother, with a visible reduction in the appearance of wrinkles.

Hyaluronic Acid (Sodium Hyaluronate)

A form of pure hyaluronic acid helps the skin to retain moisture and minimizes transepidermal water loss from the surface of the skin.

directions for use

Apply to face, neck and décolleté. Use twice daily.
